CAREER OBJECTIVE

Results-driven Computer Science Engineer seeking a challenging Software Engineering role to leverage expertise in programming, problem-solving, and scalable application development. Eager to contribute to innovative projects while continuously enhancing technical and professional skills in a dynamic environment.

EDUCATION

Sapthagiri College of Engineering, Bangalore	2022-2026
<i>B.E CSE (VTU)</i>	<i>8.87 CGPA</i>
KLE's Independent PU College, Bangalore	2020-2022
<i>PU (PCMC)</i>	<i>95.33%</i>
Nalanda English High School, Bangalore	2019-2020
<i>SSLC (KSEEB)</i>	<i>94.72%</i>

PROJECTS

Automated Professor Attendance System – Android App with Geofencing & Face Liveness

- Developed an Android app using Java and Android Studio to automate professor attendance.
- Integrated GPS geofencing and face liveness detection with CameraX and ML Kit.
- Managed secure real-time data storage using Firebase Realtime Database.
- Used Git and GitHub for version control and collaboration.

Scientific Calculator – Python

- Designed and developed a scientific calculator with GUI using Python's Tkinter library.
- Supports both basic arithmetic and advanced scientific operation(trigonometric,exponential).
- Provides real-time interaction and instant display of computation results.
- Demonstrates Python's strength in creating functional and user-friendly applications

EV Charging Station Locator

- Developed a web application to help users find nearby EV charging stations through interface.
- Designed responsive front-end pages using HTML, CSS, and JavaScript.
- Implemented location-based search and charging station listing functionalities.
- Improved application performance and navigation by refining charging station search and display functionalities.

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, SQL
- **Web:** HTML, CSS, JS
- **Framework/Libraries:** React
- **Databases:** Firebase Realtime DB and NoSQL
- **Other Tools:** Git & GitHub, VS Code,

CERTIFICATIONS

- Data Structures and Algorithms- Infosys(2024)
- Microsoft Azure Certification – Infosys (2025)
